

Now filled with joy and peace

Life

Sister Ame Nyeadeh Zee - Liberia, Africa

My name is Ame Nyeadeh Zee from Duport Road Assembly in Liberia. Before I was born again and received the Holy Spirit I used to attend many churches. I was confused most of the time and my life was empty.

One day, my friend told me about her church, Revival Fellowship. She said I should meet some visitors that were coming to her church. That was how I met Brother Jan Pieter. He showed me some scriptures from the Bible about being born again and receiving the Holy Spirit. I saw those scriptures and read them, and I believed. I got baptised by full immersion and received the Holy Spirit with the Bible evidence of speaking in tongues.

Since then I had been happy and blessed by God. My life is now filled with joy and peace. God has done many miracles for me.

Recently I was very sick with an infection. For one month I was feeling sharp pain in my back and side. I was unable to do anything. I went to hospital for treatment but my condition kept getting worse.

On the 28th of April, when I went to a meeting, Brother Jan and some other brothers prayed for me and I got healed instantly. Now I am normal in my body.

Brother Jan said “The change in her was remarkable, she looked down, and we could see she was in quite a bit of pain. After we prayed we just saw her countenance changing! She joined us in the outreach and by the time we left, she had this enormous smile on her face. Praise the Lord!”
