

# I found God's love and peace

Life

Hanna - Kupang, West Timor, Indonesia

Before I knew the truth I was a Catholic where I felt empty and didn't find the living God.

A man from the Revival Fellowship in Australia told me about the truth of God's Word. He told me that if I wanted to be a Christian then I had to be born again of water and of the Spirit.

I humbled myself and was baptized by full immersion and received the Holy Spirit with the evidence of speaking in tongues. Since that time I feel God's love and the peace that I never found in my life before.

When I was in China for my studies, I had hormone disorder and the doctor diagnosed me with cancer. But I believed and had faith in God, so I prayed fervently for one week. After that, I had a medical check up and I found that I was healed without any operation.

Praise the Lord! It is because Jesus Christ is a living, loving and healing God.
