

Peace now in my marriage

Life

Mbumba Ogisten, Lumwana West, Zambia

Hi readers. My name is Mbumba. I was born in 1969 and I had no moment for God in my life.

I became a typical alcoholic and smoker. I was taken to the court of law many times for numerous offences I used to commit. I led a miserable life, I had no peace in my marriage and I spent most of my money on alcohol, tobacco and prostitutes.

Pastor Ledson preached to me on various occasions but I could not believe and he never gave up. One day I listened, believed and was baptized to prove if it was really true.

God immediately filled me with the Holy Spirit, with the Bible evidence of speaking in other tongues.

Since then I am totally separated from the world and I fully belong to Christ. My life has totally changed and peace is now prevailing in my marriage. God has blessed whatever I have done so far, and I have seen many miracles. Whenever I pray for my family members and Saints in the Assembly, God heals them all immediately.

I thank God for filling me with the Holy Spirit
