

# My life totally changed

Life

Sister Suminah, Bali, Indonesia

Hi, my name is Suminah. I am from Revival Fellowship Indonesia in Bali. Before I came to the Lord, I was a Muslim and I have a lot of anxiety, emptiness and hopeless in my life.

I praise the Lord that in year 2003, Sister Chwee Kim and Pastor Colin Tan in Singapore told me about born again and he showed me scriptures from the Bible. After I read the Bible, I realize that this is true and the right one. So on 25 December 2003, I humbled myself to get baptized in water by full immersion and I received the Holy Spirit with the evidence of speaking in tongues.

After I got baptized my life totally changed and I can see His love, power, and the miracles. God has healed me from my heart problem and He has done a lot of other miracles in my life.

In 2010, I got married in the Lord, and He blessed my marriage with two daughters (Grace and Gretta). He gives me more than I can ask for. I praise the Lord for everything and I am waiting for His return. Amen.
