

No wheelchair now!

Life

Deadon Jim - Port Moresby, PNG

My Father was a Leader in the Lutheran Church so I grew up in the ways of a Lutheran. I had a good job in a company in the Morobe Province until I got sick with alcohol poisoning.

My sickness got worse, I could never move, always in a wheelchair from 1987 until 1998. I looked to the hospitals to find help but they couldn't find a cure.

I looked for magic from my own PNG people and then Private Doctors, which cost more money, and I go looking at all sources, but not God.

In 1998 I came to the Revival Fellowship and the power of God healed me when I was baptized and filled with the Holy Spirit. I never get sick no more with anything.

I travel to outreaches and help load the equipment on and off the assembly truck. There are supplies to be ordered, items to be sold and many other things I can do in the Lord's work.

I lead a very active happy life still now in 2017 and help with work in our 9 Mile Meeting Hall.

I am really happy to worship my God.
