

THIS IS THE CHURCH OF GOD WITH HOLY SPIRIT

God bless brothers and sisters in Australia. My name is Leader Banabas Evio. I came to know the Lord through the Word of God. I have been in The Fellowship for 6 years now.

I didn't want to be a leader but somehow God gave me that leadership of Bulolo house meeting, so now I am enjoying my salvation through teaching other brothers and sisters and encouraging them and keep them in The Fellowship and we are happy and enjoying our salvation.

I used to be the Leader of a South Sea Evangelical church ever since when I was 12. I took some journey, mission tour to US and Canada and Australia and other places as well and I found out some interesting things. I came back to my church, I was secretary for some time and then I found out that leaders were doing some things which are against the Bible so I decided to leave them.

I left and I tried to put my faith on the Bible and I called myself a Bible believer. Then we made our own fellowship and gathered about 70 brothers and sisters. In 2005, we decided to put a name in the fellowship. When I was in the US I found a church meeting in Jesus name in Antonio, Texas, and I was trying to write a letter to invite them to come to PNG. But, we heard some news from the Radio Australia and I wrote to Melbourne and one of the leaders in Melbourne directed me to Pastor Godfrey Wippon.

That's how I got to observe this church. Then I said I think this is the church of God with Holy Spirit so I came and witnessed my one body (wife), her sister plus two of my brothers and their one body sisters and six of us got baptised and Spirit filled and Principal Pastor Godfrey spent two weeks with us. He encouraged us; teach us some good things from the Bible and all that.

My one body sister got healed from asthma. I got healed from the backache and my left eye was in dark but now I can see very well. My right eye was cloudy and I didn't see things well but now I can see perfectly. That's a great healing. Amen.
