

God showed me how to read

Life

Leader Michael Noul - Bulolo, PNG

Michael had no schooling and could not read or write. He was baptized and Spirit filled on 12th April 2008 with a small group of Spirit filled people in a remote highland area of PNG.

The group was attacked by people from the local church. Leader Ken came to see their situation and was himself attacked. He wanted to take Michael away to safety but Michael refused to leave his people behind, he wanted to stay and serve God.

Leader Ken appointed him as Leader and gave him a Bible and some leaflets to guide him on where to find the important scriptures on topics like salvation and healing. Michael prayed to God to show him how to read so that he could read his Bible and preach the Gospel. Then because of the Holy Spirit he started to read the page with Mark chapter 16 on it and he just couldn't stop reading his Bible from then on!

His life was completely changed.
