

# God changed me overnight

Life

Sister Mara - POM, PNG

On 5 April 2009 I came to observe the Revival Fellowship. I sat outside the building hall and didn't know what was going on in the church. No-one from the fellowship had talked to me about the Lord before I came. I came all alone to see what this church does. I had been to other churches and didn't hear the truth.

I sat outside until there was an altar call. I got up from where I was sitting to stretch my back and a leader came and asked me if I wanted to be baptized. I said "No, I only got up to stretch my back". Then I sat down and in a few seconds I got up again and he came back and asked me again and I accepted the invitation to be baptized. I thought I'll try it out.

I went down into the waters of baptism and when I came out I was so light; I could feel the burden I had been carrying around being washed away. That was the first thing I saw and the second thing was a language that I didn't know coming out of my mouth. I spoke in tongues.

The next day I was completely a different person. At work my colleagues said I looked different. I told them I looked different because God changed me overnight and I'm so thankful. I'm really enjoying my salvation and I believe that this is the True Church.
