

HIV AIDS family healed

Life

Br Robert, Sr Helen & Raphael - Port Moresby, PNG

“God healed me, my child and restored my marriage.”

My husband was a drunkard and one who was never home. I struggled to make him change.

Things got worst when my husband and I and our fourth baby Raphael were HIV positive.

I repented, got baptized by full immersion and received the Holy Spirit with Biblical evidence of speaking in other tongues.

Our lives were changed and God healed us.

Thank you God.

I never thought I would live, happily married today and see my children grow up. Raphael is now 11 years.
