

## I WOULD LIKE TO THANK GOD FOR CHANGING MY LIFE

**He transformed my life and I became His temple, His house and joined with His church. I would like to thank God for that. Before, I was totally tightened up, or imprisoned, by religion and man-made doctrines.**

I was baptised by Church of Christ, from America missionary, he baptised me and then, only John baptism, not complete salvation. I received nothing. It was really, they called it, 'repentance, baptise, receive Jesus'. I was not anointed with the Holy Ghost and fire.

How I came to know Revival Fellowships is through my wife, my one-body, she's my Janet Dimbalu. She came home and told me "I'm now baptised" and she received "I spoke in tongues". It was funny to me the first time but then after I read the Bible places that she quoted, Acts chapter 2, John chapter 3:3 - 6 and Romans chapter 8:9. I found out that no; I didn't have the Holy Spirit. From then I was convinced. I decided to attend the Fellowships in Tari, Mount Hagen and Port Moresby for the next two years. I was a permanent observer.

I was convinced that I was guilty all the time. I had a deep feeling in my heart that I must receive the Holy Spirit, then I can worship the Lord in Spirit and in truth, and worship Him daily. I cannot continue my stubborn heart any further. I got up early in the morning around 6 o'clock and went and saw one of the pastors. I said, "Pastor, can we go out and you can baptise me?" He baptised me, full immersion. I got up. He put his hand on my head. Then I was undoubted, same time he was praying, I was praying. When I was saying Hallelujah, the other tongue came to my mouth and I was speaking in that strange language; I received on the same instant! Date 15<sup>th</sup> March 2003.

From there I begin to know the Lord and I know that Holy Spirit was within me. Old ways of life has gone and new life came to me. Then I became a new person, born again person, God had a plan for me. So now all the trouble, sickness, language, anger and lose the temper - short temper - all those things, habits, have gone away, and now I'm living for the Lord. The Lord has given me work as a pastor at the Tari assembly and everything He has blessed it. Thank you for listening to my testimony. God bless you.
