

# When I was Spirit filled..

I loved God, I grew up looking for God in every church. I became a youth leader then left and began drinking and dancing. I was distressed, I had no plan.

A lady told me scriptures about the Holy Ghost. I got baptised, received the Holy Ghost 10/11/2002. I want to praise God that He found me. I can now see wrong and right. **Sister Metike Benny · Goroka, PNG**
