

I grew up in a very strongly disciplined family as a little girl from a small village on the north coast of Rabaul and I loved going to church too.

As I grew up age 16 or 17 I was at high school and I started doing things not right in the eyes of the Lord. I got married but that didn't work out and broke up. I had this problem of thinking too much and worrying too much about my children because my husband left me with my children.

I went into another marriage and I thought things were going to work out better but it didn't and my marriage almost broke up.

I then thought about turning back to the Lord so this time I went to the Revival Fellowship of PNG back home in my village. I heard the truth of the salvation message of repentance, being baptised and receiving the Holy Spirit and I thought I'd like to give it a try so I repented, was baptised and received the Holy Spirit on 2 December 2007 with the Biblical evidence of speaking in tongues.

My husband is Spirit filled now also and our marriage eventually worked out and I'm happy now and my married life is restored back.

I see wonders, signs and blessings in the Lord so it is a very wonderful life.
