

## THIS IS THE TRUTH I WAS SEARCHING FOR

I loved God and I searched for the truth. I was in school and I heard the salvation message through a sister. She told me about the salvation message, John 3:3-5, and I was really touched and I said this is the truth that I was searching for.

That was on a Monday in 1987 and on the same week on Sunday I repent, and I got baptised. I got the Spirit on the same day. I was searching for it. I want to speak in tongues, and I was searching for that. When the elders of the church laid their hands on me and they prayed, instantly I spoke in tongues and I feel that all that long years that I was searching for God I was healed. I got peace at that time. Now I am 38 years old.

I experienced many things in the Lord. When I prayed for the sick I saw healings. When there is difficulties I pray to the Lord. I see that God answers my prayers and I really enjoy it. I know that this is the truth. This is the truth that I have.

I prayed for a good husband and the Lord gave me my one-body, Leader Jeffrey. He came to the Lord in 2008; for some years he was not in the Lord, I prayed for him, I was patient, I knew that God will change him. God heard my prayer and God changed him. Recently, just last Sunday, he was appointed as a leader of the church.

I really love the Lord. I enjoy this. God saved me and God works through His Word, through this salvation message. Praise the Lord.
