

# I was shot in the head!

Life

**GOD HEALED ME**

Leader Sevi Kiree - PNG

A gun wielding criminal was being chased by Police. He had a sawn-off rifle that exploded in his hand when he tried to shoot it. He was then shot by Police in the back of his head, slumped to the ground and was left for dead for 6 hours. He was taken to hospital and somehow a Pastor from the Revival Centre Fellowship was contacted and he came and prayed for Sevi and he came back to life. He got baptized and Spirit filled and was also healed of AIDS. Now Sevi is a Leader and rejoicing in his salvation.
