

## I THOUGHT THE ONLY EASY WAY OUT WAS TO END MY LIFE IN THIS WORLD

I come from a big extended family, and I am the second-last born. Some of my family members are employed, while others are not. In my case, I completed grade 12 in 2004 but did not make it through to any higher institution because of my poor marks.

When I dropped out of the school, all my families ignored me. They didn't help me, nor support me in any way. I had not much choice; I thought the only easy way out was to end my life in this world. I attempted to commit suicide, but it did not work out. A second thought came to mind, 'God has a plan for you'. So, I moved from church to church seeking comfort and happiness, but life was still the same.

On Sunday 04/09/05, I was on my way to my old church ECPNG. While waiting to catch a PMV, I saw some of the Spirit-filled wearing a printed Revival T shirt, standing near the bus stop. I quietly went and asked one of them of their church location. He said it is at the 9 mile outside of Port Moresby city. At that moment, God changed my mind, I followed them and later that same day I got baptised and received the Holy Ghost with the evidence of speaking in tongues.

Now I am a happy and free man. God healed me completely; no more sorrow or sickness in me. God has also blessed me and provided me with a job. I am working as a purchasing officer for the Steamships Shipping Company. Thank you and God bless.
